## PRODUCT INFORMATION

### OVERVIEW

The RAM® Tab-Tite™ spring-loaded, quick release holder offers a secure fit with easy access to the mounted tablet. The design makes it easy to insert and remove your tablet, while keeping it secure in a variety of applications. The custom design is designed to optimize the functionality of your tablet, enabling access to all buttons, ports, and tablet functions. Include four nuts and bolts to attach the holder to any RAM® components that contain the universal AMPS hole pattern. In demanding environments and use in open cockpit applications, we recommended the use of a tether to assist in securing your device. The Tab-Tite™ holder is compatible with any tablet within the listed dimensions.
