

RAM® Tab-Lock™ Universal Spring Loaded Holder for 8" Tablets with Case

Part#: RAM-HOL-TABL12U UPC: 793442939778 Patented

FEATURES

- Spring-loaded, key locking holder secures most 8" tablets with cases; interchangeable end cups allow you to modify the holder when upgrading devices
- Compatible with B and C size RAM® round ball bases for attaching a double socket arm; ball and socket technology allows for near-infinite adjustability
- Made of high-strength composites for durability and reliability in the most demanding environments
- Backed by a lifetime warranty

PRODUCT INFORMATION

OVERVIEW

The RAM-HOL-TABL12U consists of a spring loaded backplate, custom support cups and locking mechanism for the iPad skin, sleeve or case. This spring loaded design makes it easy to load and unload your iPad mini, along with keeping it secure the go. Cup ends are designed to optimize the functionality of your tablet, allowing access to audio jacks, usb, power, and your iPad mini can be used just as it was intended. Quickly lock the cradle, keeping your iPad mini secure and safe. Included is a set of four nuts and bolts to connect the cradle to any RAM components or mounts that contain the universal pattern.

The included back plate is interchangeable with various size support cups, making it compatible with numerous tablet models. The detachable support cups are the only components needed for purchase, attach to the back plate for support of your new tablet.

The Tab-Lock™ cradle is compatible with any tablet that will fit the dimensions listed below. It is important to verify the dimensions of your tablet when determining the overall size.

Note: Product consists of holder only. Case not included.
