- Includes both USB Type-A and USB Type-C power delivery ports
- HDMI output supports Samsung DeX and screen mirroring for compatible devices
- USB Type-C pigtail connector supports most Type-C phones and tablets

PRODUCT INFORMATION

OVERVIEW

Ideal for in-vehicle use, this rugged universal USB Type-C hub allows for multiple inputs and outputs to a wide variety of devices by plugging your phone or tablet into the hub, and then connect accessories and peripherals such as a mouse, keyboard, screen output adapter. The USB Type-C pigtail connector is compatible with most Type-C phones and tablets, while the HDMI output supports both the Samsung DeX and screen mirroring. Featuring integrated mounting holes, you can also secure the hub with zip tie management. The GDS® Tough-Hub™ is compatible with any Type-C Power Delivery power supply including GDS® Charge™ (see below).
