- Backed by a lifetime warranty

PRODUCT INFORMATION

OVERVIEW

The RAM® Quick-Grip™ product line gets an Apple MagSafe Charger compatible insert. Designed specifically to fit the Apple MagSafe Charger, this RAM® Quick-Grip™ phone holder has a removable backing plate so you can install your Apple MagSafe insert directly into the holder with the ability to adjust the positioning of the charging disk depending on your iPhone 12 model. The insert allows a perfect and secure fit for the MagSafe's charging disk and is only compatible for the iPhone 12, 12 Pro, and 12 mini with or without an official Apple MagSafe case. Included in this kit is the RAM® Handlebar U-Bolt base with length socket arm, perfect for handlebar mounting on your motorcycle, UTV, or e-bike. The U-Bolt base accommodates rails from .5" to 1.25" in diameter and includes a spacer for a tight fit without scratching the handlebar. Take advantage of your magnetic MagSafe charging abilities with this MagSafe mount.
