ebra DNA™ for Printers

t Up. Secure. Manage. Optimize.

ebra's exclusive software suite ensures maximum performance from every Zebra printer

able printers are essential, but it's the software inside that will keep them in action. That's why we built Zebra DNA into ou
ters, enabling workers to have constant visibility, optimal device uptime, and easily respond to changing workflows. It's a
e of software and printer operating system capabilities that leverages everything we've learned from thousands of use ca
make sure your printers work at their highest potential. Zebra DNA tools and applications for printers keep you a step ahea
n remote management tools, heightened security and ongoing updates that enable optimized performance over the entire
cycle, even as your business needs evolve.
