- Includes 2-hole side bracket for mounting additional devices such as a phone; compatible with RAM® 2-hole diamond bases and accessory side bracket
- Backed by a 3-year warranty

PRODUCT INFORMATION

OVERVIEW

The RAM® Form-Fit Powered Dock for Getac ZX80 (RAM-HOL-GE5PU) allows you to secure the device and keep it charged through the pogo pin contacts while docked—power is provided by connecting to the dock's 5.5mm DC power jack. Upgrade this with any combination of compatible accessories including the RAM® Temp-Right™, Vent-Temp™, RAM® NFC Extender, and D size VESA base. Additional compatibility for Getac accessories include the Standard & High capacity batteries as well as the 2-Point Shoulder Strap. Take the solution a step further by taking advantage of the included 2-hole side bracket, compatible with RAM® 2-hole diamond bases for additional device mounting such as a phone or other handheld device.
