Key selling points: <ul style="list-style-type: none"> • Offers Mobility DNA • Integrates well with Zebra handhelds • Barcode options • Lightest weight tablets 		Key selling points: <ul style="list-style-type: none"> • Sleek, rugged frame nearly doubles drop height • Daylight readable high-resolution screen • Great for adding a barcode imager • Works with most ET5x accessories • Advanced WiFi & WAN option 		Key selling points: <ul style="list-style-type: none"> • Longest battery life • Highest storage capabilities • Fastest performance • Most rugged • Sunlight readable display available • Keyboard works on all models • Five antenna pass-throughs available 			Key selling points: <ul style="list-style-type: none"> • More screen real estate • Sunlight readable, active display • Highly adaptable platform • Innovative design features • Three antenna pass-throughs available

Positioning Questions

Ask positioning questions to identify which product is right for each sales opportunity.

In what industry are your users?

Retail	ET50, ET51
Warehouse Management	ET50/51, L10's
Transportation & Logistics	ET55/56, L10's, R12
Location Solutions	L10's
Manufacturing	ET50/55, ET51/56, L10's, R12
Field Mobility	L10's, R12
Public Sector	L10's, R12

Needs for processing power?

Moderate	ET50/55, R12 Celeron, L10 Pentium
High Performance	ET51/56, R12 i5
Demanding	R12 i7, L10 i5
Extreme	L10 i7

What level of configurability and expandability?

Moderate	ET50/55, ET51/56
High	L10's, R12

How important is lightweight to your users?

Extremely	8" ET50/55, ET51/56
Fairly	10" ET50/55, ET51/56
A little	XSLate L10, XPad L10, R12
Not very	XBook L10

What Operating System do you need?

Android	ET50/55
Windows 10	ET51/56, L10, R12
