- Includes both side and bottom mounting attachment points; compatible with GDS® shoulder strap accessory and third-party lanyards
- Made of high-strength composites with stainless steel thread post for durability and reliability in the most demanding environments
- Backed by a lifetime warranty

PRODUCT INFORMATION

OVERVIEW

Whether it is a vehicle mounted terminal, tablet or monitor mount, RAM has a full range of solutions to meet the demand of the toughest users. RAM has once again innovated with the Power-Grip™ Universal Scanner Gun Holder. This product is compatible with a wide range of ruggedized 2D barcode scanners and is compatible with RAM's full range of forklift mounting systems for a variety of mounting scenarios. Using a variety of high strength, quality materials, The Power-Grip™ Universal Scanner Gun Holder secures your 2D barcode scanner while you aren't using it. When required, the 2D barcode scanner easily removes to quickly access the desired item. The unique open bottom design enables scanning while in the holder. Replaceable elastomeric fins grip the scanner tight to ensure the most secure fit, and can be easily replaced if required. Backed with RAM's renowned lifetime warranty, the Power-Grip™ Universal Scanner Gun Holder is an essential accessory for your 2D barcode scanner.
