# CHARGERS AND BRACKETS

229041-000

### Charger with Retrofit Adapter

Charger with retrofit adapter for MF4Te charger enables users of MF4Te charging brackets to use existing adapter installations for both legacy MF and RP2e-RP4e Series. Regional power supply needs to be ordered separately.

229042-000

### Charger with Single Wall Adapter Kit

Single printer settlement room or a depot mounting bracket enables a single charger to be mounted on the wall or as a desktop application. The printer may be charged in an organized manner with the charging dock removed from busy work areas. Available for both RP2e and RP4e mobile printers. Regional power supply needs to be ordered separately.

229045-000

### RP2e Vehicle-Mount Bracket Charger

An optional accessory designed to both charge the printer as well as keep the printer secure, yet easily accessible, on a forklift or other vehicle. To charge the printer in a vehicle, we have the following power supply options:  
510116-001 – Lighter receptacle adapter  
220282-000 – 12 V power converter,  
48 V to 60 V forklift

229044-000

### RP4e Vehicle-Mount Bracket Charger

An optional accessory designed to both charge the printer as well as keep the printer secure, yet easily accessible, on a forklift or other vehicle. To charge the printer in a vehicle, we have the following power supply options:  
510116-001 – Lighter receptacle adapter  
220282-000 – 12 V power converter,  
48 V to 60 V forklift

229043-000

### Settlement Room Mounting/Charging Bracket

Multi-charger settlement room or a depot mounting bracket enables up to five (5) RPe printers to be mounted on the wall or as a desktop application. They may be charged in an organized manner with the charging dock. Power supply is integrated; only a regional power cord needs to be ordered.

220540-000

### Four-Bay Smart Battery Charger

The four-bay battery charger is a compact charger used to charge RPe Series 4-cell and 2-cell battery packs. This enables the workforce to have charged batteries ready for a full fleet of products. Power supply is not included. Please order 50121667-001 separately.

RP2-QD-0

### Four-Bay Charging Dock

The four-bay charging dock charges up to four RP2e Series mobile printers. Power supply is not included. Please order 50121667-001.

Sold separately; not included.

RP4-QD-0

### Four-Bay Charging Dock

The four-bay charging dock charges up to four RP4e Series mobile printers. Power supply is not included. Please order 50121667-001.

Sold separately; not included.
