PRODUCT INFORMATION

OVERVIEW

The RAM Tough-Tray™ is spring loaded expandable tray that can accommodate 10 to 16 inch wide laptops. The tray includes side clamping arms, allowing your laptop to close completely while in the tray. These arms can be moved both vertically and horizontally, allowing a custom fit for varying thicknesses of laptops and the freedom of not blocking ports or drives. Hole pattern of tray facilitates the mounting of additional RAM systems to support GPS, PDAs or other electronics.
