A new Level of features for a Value-Priced Device

– LIGHTWEIGHT RIGHT-SIZED SMALL DESIGN

Lightweight, easy to carry and easy to operate with one hand.

– ANDROID FAMILIARITY

Virtually eliminate training with the familiarity of Android and the built-in support of future Android releases provide superior future-proofing.

– LARGE 5-INCH HIGH DEFINITION ADVANCED TOUCHSCREEN

Get plenty of space to interact with your applications. And the touchscreen is easy to view indoors and outside in bright sunlight.

– BUILT FOR BUSINESS

Waterproof, dustproof, drops to concrete, snow, rain, heat, freezing cold – the TC26ex-NI can handle it all. Plus, the display and scanner exit window are fortified with Gorilla Glas.

– A MODEL FOR THE MOST CHALLENGING ENVIRONMENTS

Explosion protection is our core competency. We work with the strictest notified bodies in the market and aim to follow the latest version of the EX standards available. We performed additional drop and electrostatic tests to minimize restrictions for Ex area. The TC26ex-NI can be used in both gas and dust explosive environments.

– ALL THE WIRELESS CONNECTIONS YOU COULD EVER NEED

When it comes to wireless, the class-leading TC26ex-NI offers it all – WiFi, cellular, Bluetooth, GPS and NFC.

– CAPTURE IT ALL WITH A HIGH RESOLUTION 13 MP REAR CAMERA

From proof of delivery to a damaged package, complete repair, occasional barcode capture and more, do it all with the integrated autofocus colour camera.

– SUPERIOR VOICE QUALITY AND FUNCTIONALITY

VoLTE delivery superior voice quality over cellular networks, while Zebra's advanced VoWiFi technology, delivers superior voice quality over all of your WiFi voice applications – for example, Push-to-Talk Express for basic walkie-talkie style communications, the Workforce Connect PTT Pro subscription service for walkie talkie-style communications over cellular and WiFi networks, and Workforce Connect Voice to turn the TC26ex-NI into fully-featured PBX handsets.

– EXTENSIVE ACCESSORY FAMILY

Easily and cost-effectively manage any size device pool with single and multi-slot chargers and cradles and carrying solutions and more.

Unparalleled Value with Complimentary Mobility DNA Tools

– STAGE YOUR DEVICES FOR USE IN SECOND WITH STAGENOW

Easily stage a handful or thousands of Android devices with a quick scan of a barcode or tap on an NFC tag.

– ENTERPRISE HOME SCREEN

Easily control the applications and device features your workers can access. And you can create different configurations for different teams, such as logistic and maintenance – no developer required.

– IT'S A SNAP TO ENTER BARCODES INTO YOUR APPS

Send barcodes captured with the scanner right into your existing apps with Zebra's Data Wedge – no programming or modification of your existing apps required. The result? A big time-savings – without any cost.

– TAKE FULL ADVANTAGE OF DATA CAPTURE FEATURES WITH EMDK

The Zebra Enterprise Mobility Development ToolKit (EMDK) has everything you need to fully utilize data captured by any TC26ᵉˣ-NI feature in your applications.

– IMPROVE DEVICE UPTIME WITH DEVICE DIAGNOSTICS

Eliminate the high cost of needlessly sending devices that don't need repair to the BARTEC Repair Center with Device Diagnostics. This simple to use tool allows administrators and end users alike to test the main systems with a simple press of a button to reveal whether the device can be fixed on site – or must be sent out for repair.

– ADD POWERFUL ENTERPRISE FEATURES TO STANDARD ANDROID

Mobility Extension (MX) provides over a hundred additional features that you can add to standard Android to improve security, data capture support, wireless connectivity and device manageability. You're always in charge - you decide what and when to activate.

The Most Options in its Class

– SIMPLE DATA CAPTURE

The 1D/2D SE4710 scan engine for faster-than-ever barcode capture.

– A REMOVABLE SINGLE OR MULTI-SHIFT BATTERY

The standard battery provides more than enough power to outlast a shift, or choose the extended battery that is ideal for long or double shifts. The battery is removable in non-ex environment.

– 5MP FRONT CAMERA FOR VIDEO CALLS

Enable technicians in the field to collaborate with experts to increase first-time-to-fix rates, simplify on-the-job training and more.
