- Power capabilities provided through an integrated USB 2.0 cable
- Made of high-strength composite materials for durability and reliability in the most demanding environments
- Backed by a 3-year warranty

PRODUCT INFORMATION

OVERVIEW

Managing cables can be a challenge as can be keeping your device charged while on the go. The RAM® Mounts compatible with any device in an IntelliSkin® and provides power through an integrated USB 2.0 cable. This integration enables users to sync their mobile devices for updates as well.

The integrated USB 2.0 cable makes charging your device while on the go possible. Pair the Snap-Con portable charging dock with a Snap-Con stand for a light-weight desktop charging solution.
