INSTALLATION INSTRUCTIONS

1.

2.

3.

4.

Please read all of the instructions and look at the pictures before attaching the holder.

1. Place the holder onto the desired position. Screw the holder into place with the enclosed screws.
 2. To place the device in the holder: Place the lower part of the device in the holder, then flip/press the upper part forwards so it snaps into place in the holder. Push the lock block downwards.
 3. To remove the device from the holder: Slide the lock block upwards. Press upwards on the upper part of the holder, in the same time pull the upper part of the device out from the holder and then lift the device up and out from the holder.
 4. The holder is in place.
